

Job Title: International Coordinator, ACCESS Coalition

Salary: USD 40,000 (per annum) starting salary, plus medical insurance package.

Contract: 24 months. Six-month probationary period.

Starting Date: October 2022

Location: Nairobi, Kenya.

Background

Founded in 2014, the [Alliance of civil society organizations \(CSOs\) for clean energy access \(ACCESS\)](#) is a global coalition of 100 CSOs, practitioners and research organisations. Our Mission is to advocate for people living in poverty to have access to safe, reliable, affordable energy, and for environmentally sustainable and efficient energy systems globally. Most ACCESS members are based in sub-Saharan Africa, with some members also working in developing Asia, in countries with high levels of energy poverty.

The Coalition's advocacy priorities are centred around three key work-streams: (a) ensuring inclusive SDG 7 implementation; (b) carrying out advocacy and engagement with multilateral development banks (MDBs), namely the Africa Development Bank (AfDB) and the World Bank Group (WBG); and (c) building member and external stakeholder knowledge and capacity building around energy access issues through the ACCESS Learning Group. The ACCESS Secretariat consists of a team of three full-time staff: The International Coordinator, the Communications and Membership Manager and the Programme Officer. The Secretariat is currently hosted by Kenya Climate Change Working Group and the Chair of KCCWG has overall responsibility for the operational management of ACCESS. The aim is that by 2024 ACCESS will transition to an independent structure (international NGO based in Kenya).

Role and responsibilities

The International Coordinator will be responsible for overall coordination and leadership of the advocacy and learning activities of the ACCESS Coalition at regional and international levels. This involves working closely with the three ACCESS Regional hubs based in East, West and Southern Africa, the ACCESS Coordination Group, a group of technical experts representing a range of member organisations which meets quarterly, and the three Working Groups who lead the workstreams. The coordinator is also responsible for working closely with the Chair of KCCWG, ensuring the day-to-day operations of the ACCESS team and for joint task management with the Chair of KCCWG, the Communications and Membership Manager and the Programme Officer.

Candidate's Profile

You will be highly motivated with proven interest and experience in advocating around development issues, ideally with expertise advocating at national, regional and global levels on issues related to Sustainable Development Goal 7 (SDG 7) on access to affordable, reliable and sustainable modern energy access for all, including energy as an enabler of sustainable development and sustainable energy transitions. As part of your advocacy work, you have developed excellent strategic communication skills. You may also have experience as a practitioner working in the energy access

field. You will have proven experience in coordinating civil society networks, ideally working across the global and regional levels, you are comfortable working with collaborators based in different countries, and you understand the operational context for civil society organisations in sub-Saharan Africa and developing Asia. You are an expert in working with a range of stakeholders including government, civil society and international development organisations, development banks, investors, research organisations etc. and are skilled in developing multi-stakeholder partnerships. You are a strategic thinker with an eye for operational detail, and an experienced manager of small teams. Ideally, you have experience of leading organisational change management.
